### **Child Abuse / Child Endangerment Program Course Curriculum**

#### **Policy**

To establish the goals and objectives by which the Court Ordered Programs pursues its day to day operation. Court Ordered Programs implements the following policy of goals and objectives:

To provide a safe, confidential, therapeutic and professional environment where clients can receive services which meets their needs. To consistently implement all appropriate Federal and State standards that apply. To provide group from appropriately licensed/certified staff. To utilize a clinical team of State licensed, certified professionals to evaluate and establish an individualized treatment plan for each client. To provide the highest quality treatment possible. To consistently apply performance improvement and outcome measures to ensure quality treatment is monitored and maintained. To assist clients in attaining healthy and productive lives free of the negative influences and consequences. To have clients improve their functioning level in their communities and with their families, and, to have clients will develop appropriate tools, support systems and continue interaction with these systems post discharge. It is hoped that the skills learned during this program will last a lifetime.

#### **Child Endangerment / Child Abuse Program Outline**

INTAKE will be completed upon Program enrollment. Groups are available daily.
